

I'VE BEEN SCAMMED! What should I do?

REPORT TO THE POLICE

- Open a case with the police

ALERT FAMILY & FRIENDS

- Notify others of the scam so they don't become victims of such scams

REPORT TO YOUR BANK

- Call your bank's fraud hotline & report the incident
- Stop/reverse any payments & stop any fraudulent debit orders

REPORT TO BUSINESS

- A fake or suspicious online shopping site
- The payment/banking details to a trusted or legitimate business have been altered
- Report such incidents to the real company impacted for action & prevention

UPDATE YOUR PASSWORDS

- Change your online banking, cloud storage, computer, store accounts & cellphone passwords
- DO NOT share your passwords or save them to your devices

SAFPS PROTECTIVE REGISTRATION

- Register for an SAFPS Protective Registration to prevent identity theft

REPORT TO YIMA

- Report the incident here & provide any evidence to support the report
- Your report could help protect you & your family from further scams
- Reporting could also help to identify syndicates
